EXPLANATION

6 The inclusion of this explanation does not constitute agreement with
7 the explanation's substance by the members of the general assembly.

8 BACKGROUND. Under current law, the department of public
9 safety (DPS) is charged with, among other things, preventing
10 crime and detecting and apprehending criminals. The division
11 of state patrol (state patrol) is established within DPS. The
12 state patrol is required to enforce the provisions of Code
13 chapter 321 (motor vehicles and law of the road) relating
14 to traffic on public highways, including those relating to
15 the safe and legal operation of passenger cars, motorcycles,
16 motor trucks, and buses, and to see that proper safety rules
17 are observed. In addition, the state patrol must investigate
18 and assist in the examination and identification of stolen,
19 altered, or forfeited vehicles.

20 The department of transportation (DOT) is responsible
21 for the planning, development, regulation, and improvement
22 of transportation as provided by law. DOT is authorized to
23 designate certain employees as peace officers, who are assigned
24 to DOT's office of motor vehicle enforcement (MVE). MVE
25 officers must spend the preponderance of their time conducting
26 enforcement activities that assure the safe and lawful
27 movement and operation of commercial motor vehicles (CMVs) and
28 vehicles transporting loads, including but not limited to the
29 enforcement of motor vehicle laws relating to the operating
30 authority, registration, size, weight, and load of motor
31 vehicles and trailers, and registration of a motor carrier's
32 interstate transportation service with DOT.

33 DOT and DPS are required to cooperate to ensure the proper
34 and adequate enforcement of the provisions of Code chapter 321.

35 TRANSITION — DOT TO DPS. This bill provides for the

1 transition of certain MVE employees from DOT to DPS.
2 Effective July 1, 2023, DPS peace officers will assume the
3 responsibilities and duties of MVE officers so transferred.
4 On or before July 1, 2023, DOT and DPS, in consultation with
5 the department of administrative services, must identify and
6 transfer affected positions and incumbent civilian and MVE
7 officer employees from DOT to DPS. Transferred MVE peace
8 officers will become peace officers in the state patrol.

9 The bill transfers to the state patrol responsibility for,
10 among other duties, conducting enforcement activities that
11 ensure the safe and lawful movement and operation of CMVs
12 and vehicles transporting loads. The state patrol is tasked
13 with enforcing motor vehicle laws relating to the operating
14 authority, registration, size, weight, and load of motor
15 vehicles and trailers, and enforcing applicable rules adopted
16 by DOT and DPS.

17 The bill requires DPS to adopt rules relating to (1) the
18 enforcement of motor vehicle laws, including laws governing the
19 safe movement and operation of CMVs and vehicles transporting
20 loads and (2) rules regarding enforcement of rules for
21 transportation of hazardous materials. DPS is required to
22 submit a report annually to the general assembly detailing the
23 nature and scope of enforcement activities relating to CMVs.
24 DPS is also required to submit a report to the general assembly
25 on or before December 1, 2023, regarding the progress of the
26 transitions and transfers required in the bill.

27 Under current law, MVE officers are authorized to enforce
28 federal motor carrier safety rules adopted by DOT. Pursuant to
29 such authorization, MVE officers may enter a motor carrier's
30 place of business for the purpose of performing a motor carrier
31 safety audit or compliance review. An MVE officer is also
32 authorized to inspect and copy motor carrier records required
33 by federal law. The bill authorizes DPS peace officers to
34 perform a safety audit or compliance review or inspect motor
35 carrier records.

1 RETIREMENT AND LONGEVITY PAY. DOT employees are members
2 of, and receive benefits from, the Iowa public employees'
3 retirement system (IPERS) (Code chapter 97B). DPS officers
4 are members of, and receive benefits from, the peace officers'
5 retirement, accident, and disability system (Code chapter 97A).
6 Under the bill, a transferred MVE officer who has 10 or more
7 years of membership service in IPERS on July 1, 2023, will
8 remain a member of IPERS and will continue to be considered
9 an employee in a protection occupation. A transferred MVE
10 officer who has fewer than 10 years of membership service in
11 IPERS will become a member of the peace officers' retirement,
12 accident, and disability system. A person who is employed
13 by DOT and retains limited authority of a peace officer
14 pursuant to the bill remains a member of IPERS and continues
15 to be considered an employee in a protection occupation. A
16 transferred MVE officer retains all rights to longevity pay.

17 REMAINING DOT OFFICERS. The bill authorizes DOT to
18 designate certain employees who have limited authority as
19 peace officers. The limited authority includes the ability to
20 investigate and enforce laws relating to motor vehicle records,
21 documents, credentials, procedures, and revenues, including
22 but not limited to crimes and abuse of authority associated
23 with fraud, identity theft, vehicle titles and registration,
24 dealer licenses, and authorized vehicle recycler licenses; and
25 relating to motor vehicle fraud including but not limited to
26 state and federal odometer laws.

27 FINES — ROAD USE TAX FUND. The bill requires the state
28 court administrator to allocate all of the fines and fees
29 attributable to CMV citations issued by DPS, rather than DOT,
30 to the treasurer of state for deposit in the road use tax fund.
31 Under current law, moneys credited to the road use tax fund are
32 prohibited from being appropriated for the payment of salaries,
33 support, or maintenance of any personnel in DPS (Code section
